

The International Society of
Regenerative Medicine and Wound Repair

2025 22-23 October
Bali, Indonesia

INTERNATIONAL DIABETIC LOWER EXTREMITY SYMPOSIUM

Venue: Grand Hyatt Bali

Kawasan Wisata Nusa Dua ITDC Nusa Dua, Bali, Indonesia

Please contact secretariat@isrmwr.org for further information.

To solve the unmet management needs of the disease, this symposium will focus on the latest clinical research on pathophysiology, current and emerging techniques, and clinical experience sharing.
